

# *The 5 Star Q Corporation*

*Our assistance makes your difference*

# *What is 5 Star Q about ?*

The 5 Star Q Corporation bvba has been founded on January 2nd 2007. Although it is a young company, its founder has over a decade of extensive experience in Facility Management and security for both national and international companies.

Through a background in financial programming, an analytical mindset ensures that your projects are well examined, prepared and executed. Whether the project consists of building, maintaining, auditing or starting up a Facility department, it will be dealt with in the most professional matter. Powered with the highest ethics and integrity, 5 Star Q has the ability to be broad-thinking and strategic as well as tactical/detail-oriented.

Accomplished experience in all aspects of Facility Management, related subjects and process re-engineering, cost reductions, start-ups, turnarounds.

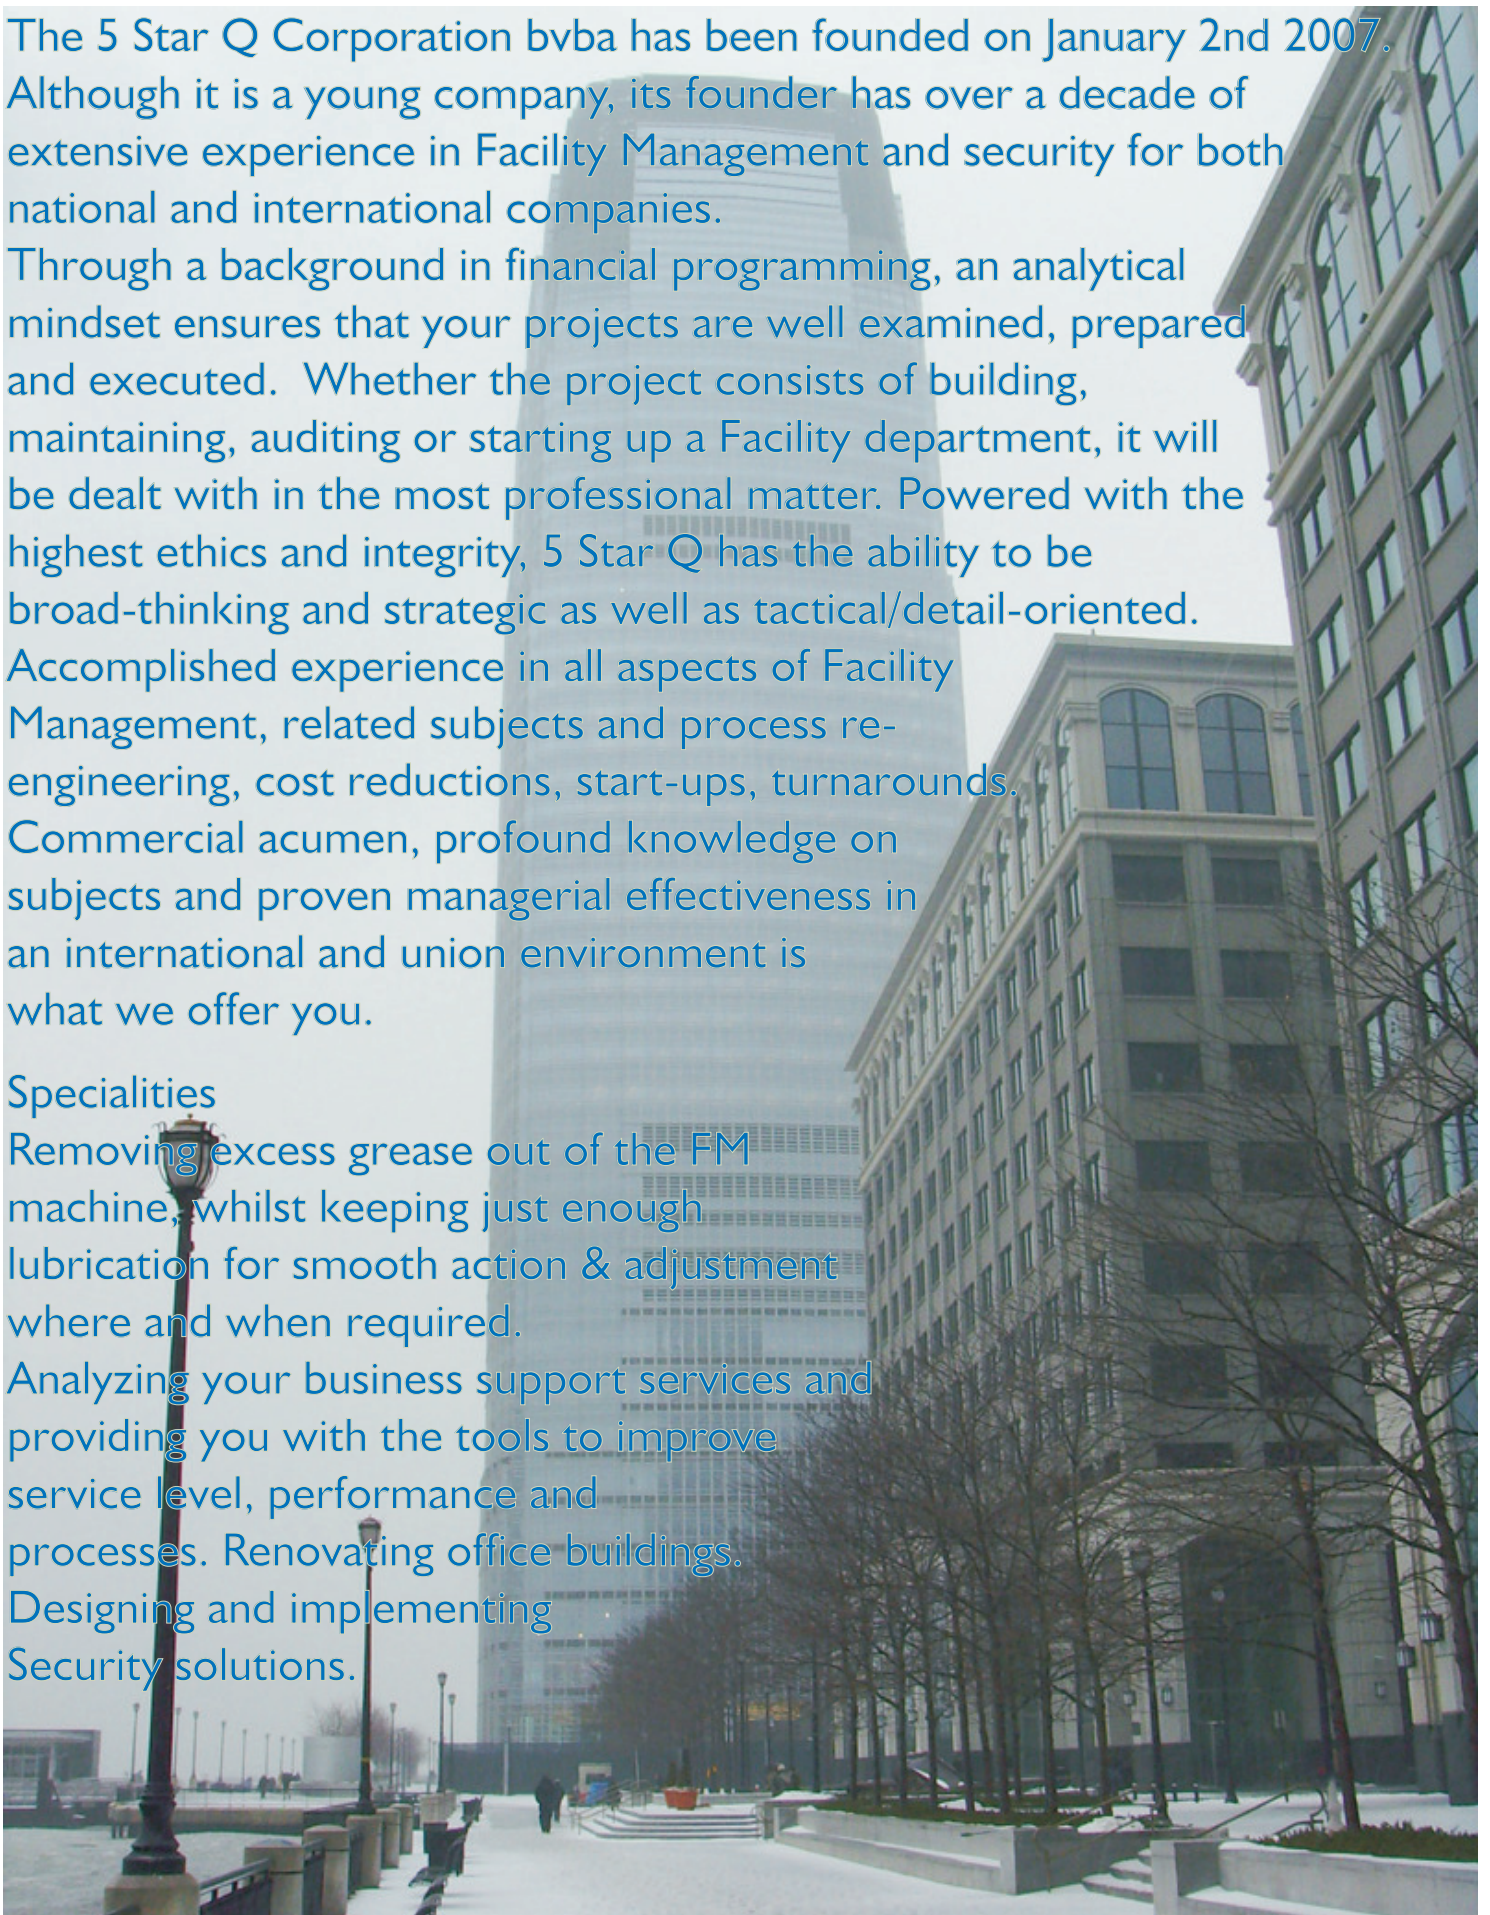

Commercial acumen, profound knowledge on subjects and proven managerial effectiveness in an international and union environment is what we offer you.
